

KDRS SYSTEM TRAINING REMINDER FALL 2012

Free training is again being offered for those interested in learning more about the Setoff Program and Setoff's web-based system, KDRS.

Morning and afternoon sessions will be located in two different cities, so pay close attention to which session you plan to attend. Each session is 3 hours in length. Morning sessions begin at 8:30 A.M. and afternoon sessions begin at 1:30 P.M. The first half hour of each session is for new agencies considering using the Setoff Program and will consist of 20+ minutes of instructions followed by a 5-10 minute break. Yessssss...show up 20 minutes late if you are already in Setoff! Bring your own drinks with lids.

Training session dates, times, and locations are listed below.
