**Public Employees Keep
Kansas Moving Forward!**

June 25, 2007

To the members of the State Employee Compensation Oversight Commission:

I regret that I will be unable to attend the Commission Meeting today June 25, 2007.

However, the purpose of this memo is to inform you that the Kansas Association of Public Employees (KAPE) agrees completely with the presentation of the Kansas Organization of State Employees (KOSE).

We believe strongly that funding of the current pay-plan would go a long way toward correcting the problems as they currently exist.

Thank you for this opportunity.

Gerald Raab
KAPE President
