

RANJBAR

ORTHODONTICS

At Ranjbar Orthodontics, our experienced orthodontist and friendly staff work hard to bring quality orthodontic care to Lawrence Kansas and surrounding areas. As a family orthodontist, Dr. Ranjbar understands that some adults and children may be apprehensive about getting braces. Because of this, he provides a variety of orthodontic treatment options for you and your family. Some of these include traditional metal braces, clear braces, Invisalign (invisible braces), surgical orthodontics, and more. These options supply both adults and children with a path to a natural beautifully aligned smile that is custom tailored to each individual. So whether you need braces or a retainer, Ranjbar Orthodontics is truly something to smile about!
